SILENT PERMANENT MAGNETIC GENERATORS ENDLESS POWER...

\$10K USD DISCOUNTS

OFF GRID SOLUTION, NO EXTERNAL
POWER SOURCE, NO FUEL REQUIRED.

2025.

ECO-FRIENDLY – Silent, Full-Time Perpetual, Self-Powered, Endless Free Energy.... Permanent Magnetic Energy Generators;

No Fuel Required. CLEAN - GREEN

Mobile Full-Time Energy Magnetic Generators

2kW-50kW Full-Time Silent Mobile Magnetic Generator:

Specifications:

Unit: Mobile Generator

Trailer: Heavy Duty with Spare Tyre

Power Phase: Single/Three Phase

Capacity: 2kW – 10kW – 20kW – 50kW

Hertz: 50-60Hz

Primary Voltage: 277/480 Three-Phase

Dimensions: Contact Sales

Description:

The 2kW-50kW Silent Mobile Generator is ideal for home and commercial applications. These generators run quiet and has zero emissions because they are perpetual energy generators and do not require a fuel source or energy source to operate. Installation is easy because you do not need to connect to a diesel or propane tank and once you have connected the harness to your electrical distribution point, you can turn off your utility company supply for good.

The only additional cost associated with our generators is the electrical harness installation, which is made simple to keep costs down to the consumer.

Our generator is completely SILENT.

Our generator is completely GREEN.

Our generator has ZERO CARBON EMISSIONS or pollutants emitted into the air.

Our generator has ZERO REOCCURRING MONTHLY COSTS since it does not require fuel to run.

It is a one-time purchase to free you from energy costs for the duration of the life of the generator. In the event of a disaster when power is down and fuel is unavailable, our generators will keep running and keep your household or business up and functional.

Since there are zero emissions our generators can be placed anywhere on the property within legal zoning ordinances.

Additional equipment is available to order such as mobile remote monitoring via your cell phone APP. We can provide this on request and your order should be place upfront.

Contact us for more info.

Fully Transportable Full-Time Magnetic Energy Generators

These generators have single/three phase at 50/60-Hertz

2kW Silent Magnetic Generator

Specifications:

Power Phase: Single Phase
Capacity: 2kW
Hertz: 50-60Hz
Primary Voltage: 110/240 Volt

~~\$31,950~~ NOW \$21,950
SAVE \$10,000

10kW Silent Magnetic Generator

Specifications:

Power Phase: Three Phase
Capacity: 10kW
Hertz: 50-60Hz
Primary Voltage: 110/240 Volt

~~\$55,950~~ NOW \$45,950
SAVE \$10,000

20kW Silent Magnetic Generator

Specifications:

Power Phase: Three Phase
Capacity: 20kW
Hertz: 50-60Hz
Primary Voltage: 110/240 Volt

~~\$69,950~~ NOW \$59,950
SAVE \$10,000

50kW Silent Magnetic Generator

Specifications:

Power Phase: Three Phase
Capacity: 50kW
Hertz: 50-60Hz
Primary Voltage: 110/240 Volt

\$119,950

2025 LAUNCH SAVE \$10,000 USD ON 2KW/10KW/20KW

Three Phase Commercial Full-Time Magnetic Energy Generators

These magnetic generators are available with 3 Phase control panels at 50 or 60-Hertz power. Please contact us so as we can apply your necessary requirements for your endless power source.

50,000-Watt Full-time Silent Magnetic Generator:

Specifications:

Power Phase: Three Phase
Capacity: 50kW
Hertz: 50-60Hz
Voltage: 277/480 Three-Phase
H: 55cm W: 37cm D: 116cm

\$99,950

60,000-Watt Full-time Silent Magnetic Generator:

Specifications:

Power Phase: Three Phase
Capacity: 60kW
Hertz: 50-60Hz
Voltage: 277/480 Three-Phase
H: 55cm W: 37cm D: 116cm

\$119,950

75,000-Watt Full-time Silent Magnetic Generator:

Specifications:

Power Phase: Three Phase
Capacity: 75kW
Hertz: 50-60Hz
Voltage: 277/480 Three-Phase
H: 55cm W: 37cm D: 116cm

\$149,950

100,000-Watt Full-time Silent Magnetic Generator:

Specifications:

Power Phase: Three Phase
Capacity: 100kW
Hertz: 50-60Hz
Voltage: 277/480 Three-Phase
H: 55cm W: 37cm D: 116cm

\$199,950

Three Phase Industrial Full-Time Magnetic Energy Generators

750,000-Watt Industrial Full-time Silent Magnetic Generator:

Specifications:

Power Phase: Three Phase
Capacity: 750kW
Hertz: 50-60Hz
Voltage: 277/480 Three-Phase
Dimensions: Contact Sales

\$1,499,950

1 Mega Watt Industrial Full-time Silent Magnetic Generator:

Specifications:

Power Phase: Three Phase
Capacity: 1MW
Hertz: 50-60Hz
Voltage: 277/480 Three-Phase
Dimensions: Contact Sales

\$1,999,950

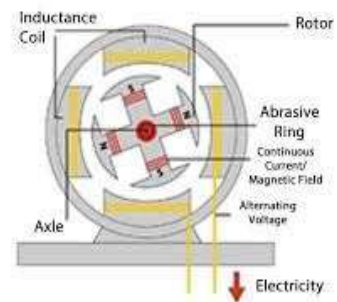

1.2 Mega Watt Industrial Full-time Silent Magnetic Generator:

Specifications:

Power Phase: Three Phase
Capacity: 1.2MW
Hertz: 50-60Hz
Primary Voltage: 277/480 Three-Phase
Dimensions: Contact Sales

\$2,399,950

How a Magnetic Generator Works:

Mobile Full-Time Energy Magnetic Generators

100kW-250kW Full-Time Silent Mobile Magnetic

Specifications:

Unit: Mobile Generator

Trailer: Heavy Duty with Spare Tyre

Power Phase: Three Phase

Capacity: 100kW – 150kW – 200kW – 250kW

Hertz: 50-60Hz

Primary Voltage: 277/480 Three-Phase

Dimensions: Contact Sales

Description:

The **100kW-250kW Silent Mobile Generator** is ideal for commercial and industrial applications. These generators run quiet and has zero emissions because they are perpetual energy generators and do not require a fuel source or energy source to operate. Installation is easy because you do not need to connect to a diesel or propane tank and once you have connected the harness to your electrical distribution point, you can turn off your utility company supply for good.

The only additional cost associated with our generators is the electrical harness installation, which is made simple to keep costs down to the consumer.

Our generator is completely SILENT.

Our generator is completely GREEN.

Our generator has ZERO CARBON EMISSIONS or pollutants emitted into the air.

Our generator has ZERO REOCCURRING MONTHLY COSTS since it does not require fuel to run.

With our generator there are NO reoccurring monthly cost since it does not require fuel to run. It is a one-time purchase to free you from energy costs for the duration of the life of the generator. In the event of a disaster when power is down and fuel is unavailable, our generators will keep running and keep your household or business up and functional. Since there are zero emissions our generators can be placed anywhere on the property within legal zoning ordinances.

The mobile generators are mounted on to custom built trailers specially designed to transport our mobile generator sets with maximum safety at highway speeds.

These are complete ready to run generator sets with DOT rated trailers. Standard equipment includes a heavy-duty weather enclosure with hinged doors, complete generator, battery and full output circuit breaker. The standard analog control panel provides full instrumentation with voltmeter, frequency meter, percent of load meter, temperature gauge, hour meter and battery voltmeter. The control panel also includes a red button safety shutdown system.

Our generator trailers come equipped with electric brakes with safety disconnect and 7 wire connector, torsion axle(s), front tongue jack, two rear stabiliser jacks (if ordered additionally), ICC lighting, and license plate bracket. Plus, a lockable storage trunk at the front of the trailer and a spare tyre. Additional equipment is available to order such as mobile lighting for outdoor use, a jack and tools for tyre replacement, trailer stabilisers etc. We can provide this on request. **Contact us for more info.**

Mobile Full-Time Energy Magnetic Generators

100kW-250kW Full-Time Silent Mobile Magnetic Generator:

100kW Mobile Generator

1.5MW Mobile Semi-Trailer Magnetic Generator

1.5MW HGV Truck Trailer

\$2,999,950

Description:

The **1.5 Mega Watt Permanent Mobile Semi-Trailer Silent Generator** is ideal for SPECIAL EVENTS, and TEMPORARY commercial and industrial applications. These million-and-a-half-watt generators can easily power any rock concert event or city event or in emergencies, power a hospital or more if need be. Easily hook up and you can transport this generator anywhere and lease it out to your customers. **NO FUELS NEEDED** such as diesel or propane etc. These mobile 18-wheeler trailers are completely self-sustaining.

1MW+ Solar Satellite Systems

The groundbreaking latest technological alternative to Solar Panel Installation.

THERE IS NO LONGER THE NEED FOR FIELDS FULL OF SOLAR PANELS OR WIND TURBINES!

Save associated cost of installing solar panels AND access of space with our 'state of the art' solar satellite systems.

1 x Solar Satellite Dish = 1mW of POWER
